*This document is for illustrative purposes only. If there is any discrepancy between the benefits in this summary and the official plan documents, the language of the official plan documents shall prevail as accurate.

**The Plan will reimburse for an Out-of-Network Provider based on the lesser of the provider's normal charges or the Plan's Maximum Allowable Charges. A Covered Person would be responsible for not only the Plan's deductible and coinsurance amounts, if any, but any balance the Out-of-Network Provider may bill for their normal charges that are in excess of the Plan's Maximum Allowable Charges.
